A large, stylized handwritten signature, likely of Peter J. Denning, consisting of a large loop and a long horizontal stroke.

Norman Balabanian
Electrical Engrg.
111 Link Hall
Syracuse University
Syracuse, NY 13210

Dear Norman:

Enclosed is my additional material for the exchange of views between myself and Admiral Inman in the September 1982 issue of Technology and Society Magazine. I appreciate the opportunity to participate.

Sincerely,

A handwritten signature in cursive script that reads 'Peter'.

Peter J. Denning
